SPRING BERRIES

Senator Dunlap

Midseason an old time favorite that produces a big crop of berries anywhere, a fine canning berry.

100 — \$2.00 500 — \$7.00

Premier Early

Premier the nearest frostproof of any variety grown. Because of its great hardiness and persistent blooming the plants are sturdy, healthy and long rooted making them drought resistant. The vines bear an enormous crop of large sized berries. While the berry is bright red clear to the center.

100 — \$2.00 500 — \$7.00

Fairfax

Berries are honey sweet in flavor and of a rich dark red color. It has a very bright appearance. Fruit ripens midseason to late. It retains its color well and is very juicy yet the flesh is quite firm.

100 — \$2.00 500 — \$7.00

Robinson

Makes more plants, bears more berries. For home use its quality and flavor are better than premier.

100 — \$2.00 500 — \$7.00

Catskill

The Sugar Flavored Strawberry. It is now generally recognized as one of the best of the mid-season to late varieties.

100 — \$2.00 500 — \$7.00

Black Beauty Late

A large sweet berry, starts to ripen when others are about gone.

100 — \$2.00 500 — \$7.00

We are located $\frac{1}{2}$ mile south of cemetery**C. L. LORD NURSERY**

Route 1

Sturgis, Mich.

Will commence to bear about 60 days after planted and will continue to do so all summer and up until cold weather sets in.

100 — \$3.00 500 — \$12.00

Streamliner

Here's the big new strawberry you can enjoy without sugar! Nothing finer for serving fresh, or in shortcake, or for canning. Perfect for quick freezing. Authorities agree that these large, glossy red, uniform sized fruits have the finest quality of all strawberries. Plant your patch this spring—it will start to bear in 60 to 90 days, and you'll have berries until heavy frost. Next year you'll have fruit spring, summer and fall. Streamliner has everything: fine flavor, large size, good color, heavy yield, self pollinating. A quart of berries has been picked from a single plant—the ideal everbearer for your garden!

100 — \$4.00 500 — \$16.00

Wayzata

Sweet as honey. Wayzata is red clear through with no green tips.

100 — \$3.00 500 — \$12.00

Minnesota 1166

The large delicious berries which the Minnesota 1166 produces are of a beautiful red color, so bright that they glisten. The fruit is exceedingly sweet. If you are not interested in an everbearer plant Minnesota 1166 for a spring bearing variety, its one of the best and we know you will like it.

100 — \$4.00 500 — \$16.00

All strawberries listed are perfect flowering and need no mating.

ORDER SHEET

Red Raspberries

Latham

Hardy and very productive, far out yielding older kinds, it ripens from mid-season to late. Berries are all above average size, bright red, the flavor is of the finest. You will make no mistake in planting all you can.

25 — \$2.00 100 — \$8.00

Cuthbert

An old standard variety, berries are very firm and
of a fine quality and flavor.

25 — \$2.00 100 — \$8.00

Asparagus

Mary Washington

3 year roots.

100 — \$3.00
